NOTE FOR DCI

1. I was just talking with Doris and she said you would wait until Tuesday, upon your return, to talk to Dave Jones. I'm not sure when Gen. Vought is going to be on the Hill, but I understood it would be possibly on Monday or Tuesday. If so, and if you have any concerns, you might want to talk with Jones before you leave.

2. The next SCC on Iran has been scheduled for Tuesday, 3 June at 0900. Since you will not be here Frank will go in your place. At the end of today's meeting on Iran it was determined that the material you asked for will be pulled together by COB Tuesday so that you could review it for possible use at the next SCC.

- Do you want to follow this schedule?

- Or would you want the material pulled together for possible use by Frank at Tuesday morning's SCC?

I will check with the Ops Center Saturday morning to see which way you prefer to go.

3. We just got in ZB's approval of the ☐ paper you left with him the other week and his request that it be converted into a memo for the President that the next SCC(I) can discuss. I have talked with ☐ and this will be ready for you upon your return for review Tuesday. Essentially we will simply change the addressee from ZB to the President and, perhaps, stick in some mention of what we hope to accomplish with ☐ regarding the ☐ option ☐
